DECLARATION IN SUPPORT OF PETITION TO MAKE SPECIAL

Alfred M. Walker, declares:

I am the attorney for the Applicant in the above-identified patent application. I am a member of the bar of the State of New York and a registered Patent Attorney, Registration No. 29,983. I make this Declaration in support of Assignee Jewelmatic, Inc.'s Petition to Make Special in the above-identified application.

The subject matter of the above-identified application relates to thin walled, attached, silver-filled gold jewelry.

To determine the patentability of the claims submitted in the application, a thorough and careful review was made of the patents cited in Applicants' prior parent patent application, now U.S. patent no. 6,092,358.

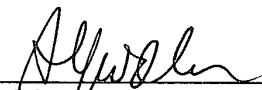

The claims of the present application are also believed to be allowable over the same art.

As a result of reviewing the application and the prior art, I believe that all of the claims in this application are allowable. All prior references are distinguishable over prior claims.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true. I further that these statements were made with the knowledge that willful false statements the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this document, the application, or any patent issuing thereon.
